

### **NPS Requests \$2.361 Billion for FY 2005 Budget**

On February 2, 2004, President Bush presented the FY 2005 Budget Request. Included in President's Request is \$2.361 billion for the National Park Service, a net increase of \$102 million over the FY 2004 enacted level. Increases in the request included \$120 million for sustaining the park system, \$8 million to fulfill the President's Management Agenda and \$10 million to fund Preserve America grants.
